“ My deepest sympathy and condolences to Family and Friends. I just seen this and my heart stopped so saddened. I was in Restoration Ministries with Tyler we were friends, spoke, and many laughs, his smile so big, he started to come out of his shell and I found a great man with a huge heart and a brother in Christ I'm honored and blessed to have cross paths and we will meet again. R.I.P. my friend Laura R.

“ Tyler was such a precious young man. David and I spent a lot of time with Johnny and Cherie several years ago. I remember when David built the deck around your pool. I am grateful we were able to spend that time with all of you. David was very connected to Tyler because he reminded him of himself at that age. May God wrap his loving arms around you Tyler and rest easy in his arms. Find David and give him a big hug and a fist bump. May God surround your mom and dad and brothers on this very difficult time of their lives. Know that you were very loved Tyler. Your memory will live on forever. Until we meet again one day. Rest easy and fly high with the Angels.

Love always,

Sandy Mabry
