“ Not only was I a neighbor to Vonna while I was in high school. But I had the privilege of taking care of her when she lived at Kingdon Gardens. She had a favorite cake that she and her late daughter Angela always made to take to family reunions, so I and Vonna started making that cake so she could continue the tradition. When she moved to the nursing home I made her that oatmeal cake for her birthday. She was a very sweet lady. Cherish your memories and all the good times that you had with her.
My deepest sympathy to her family.

“ Dear Rollin and Patty. So sorry to learn of Vonna's passing. We had lots of years watching our children grow. Vonna was the best babysitter I had. She had to put up with quite a bit with Charlie. Over the years I bought several dozen humpty humpty pillows, both for my kids as well as gifts for friends. She was a sweet and talented lady who will be missed and remembered with love.
