

Wendy Lea Beaupre

July 31, 1967 - November 3, 2022

It is with great sadness that Pam and Hal Beaupre announce the passing of their daughter at age 55 after a courageous battle with cancer.

Wendy was born and raised in Kankakee. She attended St. Theresa's Grade School, graduated from Bishop McNamara High School, and attended Kankakee Community College. Wendy's love of animals moved her out west to Colorado and eventually to Austin, Texas where she worked in animal rescue.

She is survived by her parents, Pam and Hal Beaupre of Kankakee; nieces, Brittany Beaupre, Brianna (Sam) Gardner, and Sierra Beaupre; great nephews, Oliver and Nolan; great niece, Naomi all of the Arden, North Carolina area; many aunts, uncles, and cousins from the Beaupre and Liebendorfer side who reside through out the United States.

Wendy was preceded in death by her brother, Shawn Beaupre.

The family wants to extend a special thank you to Wendy's best friend, Meagan Nehls, who came and provided care during her battles with cancer. We can't thank her enough.

A Celebration of Life will be held Saturday, November 19, 2022 from 2:00 PM-

4:00 PM at Jensen Funeral Home of Kankakee.

“ *I worked with Wendy at Austin Animal services for over 14 years. She was deeply dedicated to her team members and the animals. She was a creative problem-solver, and hard worker, always keeping track of the small but important details to make things happen and happen RIGHT. She could have a devilish sense of humor but always with an underlying warmth, with a fabulous smile, and you felt like the luckiest person on earth when she laughed with you! Such a tremendous loss, but her bright light shines on in all who knew her.*

“ *My sincere condolences to Wendy's family during this difficult time. Wendy and I used to work together at Town Lake Animal Center in Austin, Texas many years ago. She was a great person, peer and supervisor. She had a beautiful smile and bubbly personality. She had a beautiful soul and compassion for animals. She will be missed by all those that had the privilege to meet her. Rest in Peace my friend and I am sure you are romping around with all your fur babies that passed before you.*

“ I did not know Wendy well, brief meeting and social media post. She exemplified the family qualities of strength and service toward others.
Another sweet angle has been created.
