“*Fair-to-Middling even in times of loss and pain. Bill was such an inspiration to my Church service at Heritage Woods. He only missed a couple times or when he was in the Hospital. When we sang Hymns and asked for those attending to choose, Bill would be the first to shout out page 31, "Amazing Grace." He once told me that that was his life. This last week we sang it in tribute to him. I would always make him copies of my sermons. He said he used them as part of his morning devotional on Fridays. He will be missed but I know where he is.... with Jesus. God bless you all, too.*

“ Every time I'd see him, he would want to play "Heart & Soul" with me on the piano. We both really enjoyed it.
