“ *I will always remember Bill as my Dad's Navy buddy. A lot of memories of Bill as I was growing up. Especially the trip to Chicago with my family to visit. The bond him & my dad shared amazed me. No matter how long it had been since they seen one another they always picked up where they left off. My last memory of Bill was 3 years ago when he traveled to Ohio to surprise my dad for his birthday. Great guy. I'm so sorry for families loss. May God give you all the strength to get through this rough time. Sincerely, Devin Crone*
