“ Dear Dad,
I figure this to be sent better in a letter form. I believe that your long times of suffering are over. I know many will miss you. I also know what we lost on Earth , we gained in heaven. It is nice to know you will be looking down from above and protecting the ones you love and whom miss you dearly.
Thank you for all the “free” dinners and Christmas gifts that were always appreciated and utilized. Thank you for not shooting me .. or having me arrested when your daughter and I sprang your first grandson on you at way too early of an age. We were just kids and the support of you and mom were always welcomed and appreciated.
As time went on and our circumstances changed, it was always good to be able to stop in and say hello. And speaking of hello, you give Klark a big hug for the rest of us up there. I’m sure he was happy to see his great grandpa
I happy you are free of all your Earthly pain and hope all who had the pleasure of getting to know you, have the opportunity to share stories and give hugs to the entire Odette families.
Love and prayers to all
Marty Cotter Sr. And all of his family

“ I've never enjoyed the privilege of meeting Mr William Odette nor his lovely wife, Linda. However, my husband and myself have been best friends with their eldest daughter, Patricia and her husband Ray, for nearly 40 years.
I can witness the amazing, wonderful parenting that Mr. and Mrs Odette provided to Patricia (and her siblings) . They raised them to be respectful, responsible, kind and loving citizens.
I am forever grateful and very thankful to Mr and Mrs Odette for successfully raising their family as they did. If a person's life is measured by the family they created, then Mr. Odette can rest peacefully knowing his life was the pinnacle of success.
