“ *Sending my sincerest condolences. Lots of fond memories of Mr. Scivally. I ran into him at the eye doctor a couple years ago. We talked about his kids, things that happened when Trina and I were in junior high school and high school, his grandkids who came to my daycare and laughed about how long we had known each other. It was a really nice visit. May he rest in peace. Kris (Satterwhite) Stasicky*

“ *I would like to pass on my sincere condolences to the family of William. William was on my mail route in Bradley. He would come out and chat and I enjoyed our conversations. He was always excited to be attending one of his grandchildren's sportings events. I would also see him at the nursing home visiting Carol. Carol lived on my mail route also and with talking with him realized she was his sister. May the circle be unbroken. 🙏❤️*

Bill was a great guy ,I worked with him at Shapiro always positive ,helpful and fun to work with.If i ever did something he didnt care for He would say ,"I'm going to tell your mom on you,then I would say go ahead I dont care," we would then laugh. He also worked with her and other family members of mine.Gone to soon but never forgotten. Rest in peace Bill.*
